ABOUT THE INSTITUTION

K. Ramakrishnan College of Engineering aspires at the upliftment of our future engineers. It is a happy note that KRCE has emerged as one of the leading and fast-growing institutions in India over a span of twelve years since 2008. The college consistently is on the move and we encourage independent thinking which helps students in developing holistic perception, strong domain knowledge, contemporary skill sets and positive attitude. The management bestows its fullest support in terms of knowledge, infrastructure & environment to achieve its excellence. Our students have been achieving tremendous results in academics, sports and extra-curricular activities.

KRCE blends into the tranquil and eco-friendly ambience for ideal teaching and learning. With the noticeable and evolutionary furtherance of the institution, AICTE has approved the college and affiliated to Anna University Chennai in 2008 and got permanent affiliation in 2019 for all UG programmes along with MBA. In trail with the above, the college has been accredited 'A' grade by NAAC with 3.10. Following which the college has been approved with ISO 9001:2015 and ISO 14001:2015 Green Campus Certification in 2018 and 2019 respectively. KRCE got NBA for all three applied courses in 2019 ECE, EEE, Mechanical. The college received 3 stars in 2019 and 4 stars in 2020 from EC - MHRD. To add another gem in the crown of KRCE, the college got its autonomous status in 2020 conferred by UGC and the college got ARBA Rank with Band B Category (26 -50) released by MHRD. Recently, the college was awarded QS I-GAUGE E-LEAD Certification in the year 2021.

ABOUT THE DEPARTMENT

Electrical and Electronics Engineering plays an evolutionary role in everyday human's life and thus it has a vital role in enriching the knowledge and career opportunities for students. The department is started with the mission of imparting quality education, training and research to the technocrats. The department is run by well qualified and dedicated faculty members. Well-equipped labs and research lab with high end equipments to help students to get the best hands on experience to augment their theoretical knowledge.

The department offers PG course in Power System Engineering. The department has R&D center approved by Anna University, Chennai. Our department has produced number of University Ranks from its inception. Department have scholars pursuing doctoral degree programme in part time mode.

RESOURCE PERSON

The sessions will be handled by the faculties from NITTR.

ELIGIBILITY

Faculty members from all Engineering disciplines.

REGISTRATION FEE

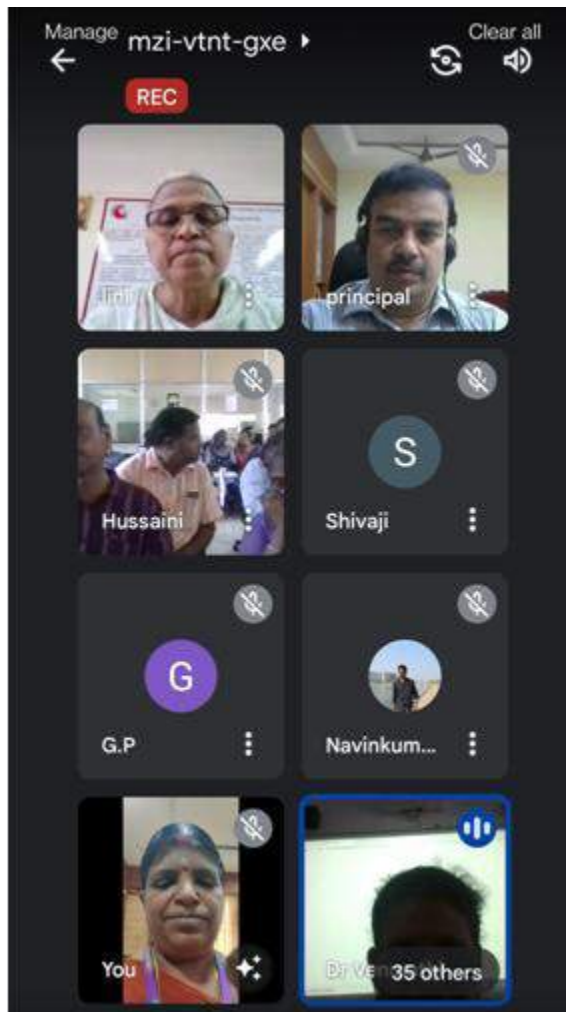

There is no registration fee for any participant, provided they should choose K. Ramakrishnan College of Engineering, Tiruchirappalli as Remote Centre.

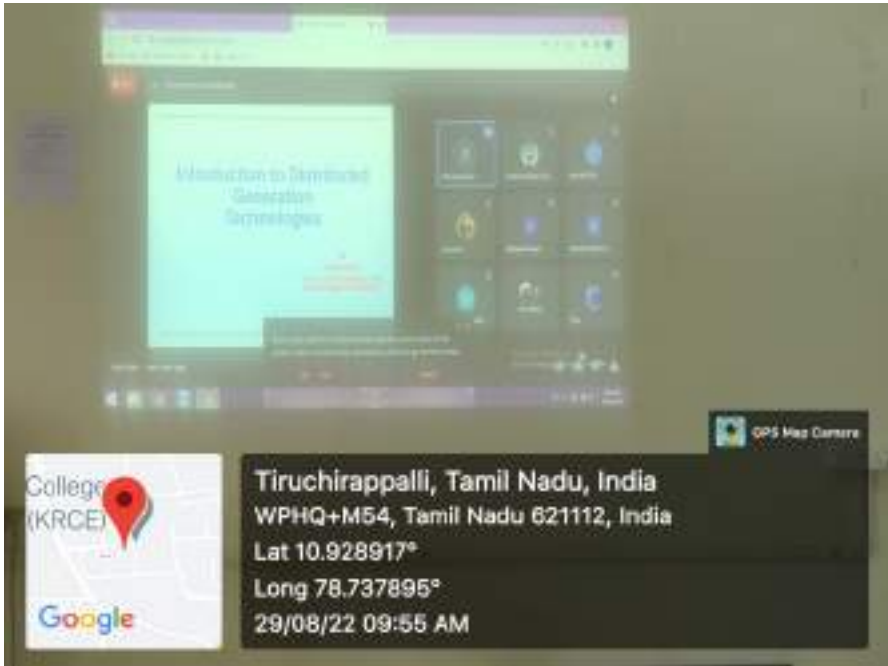

HOW TO REGISTER

All participants need to register online at
<https://ftp.nittrchd.ac.in/backingup> on or before 27/08/2022 (5:00pm)

Procedure for Registration of the course after registering as participant

Login as participant
Click Apply for STC on Left-hand side
Select department as Electrical Engineering
Select mode of course as online mode
Click submit
Next choose the course ID ICT-103 on the title Smart Grid and Renewable Energy Sources
In the online application form
Select occupation as Faculty lecturer/ instructor/ Technical staff
Select venue as you want to register as | From the remote Centre
In drop down - select K. Ramakrishnan College of Engineering
Mark AICTE approved institution as Yes
Then submit.

ABOUT THE INSTITUTION

K. Ramakrishnan College of Engineering aspires at the uplifterment of our future engineers. It is a happy note that KRCE has emerged as one of the leading and fast-growing institutions in India over a span of twelve years since 2010. The college consistently is on the move and we encourage independent thinking which helps students in developing holistic perception, strong domain knowledge, contemporary skill sets and positive attitude. The management bestows its fullest support in terms of knowledge, infrastructure & environment to achieve its excellence. Our students have been achieving tremendous results in academics, sports and extra-curricular activities.

KRCE blends into the tranquil and eco-friendly ambience for ideal teaching and learning. With the noticeable and evolutionary furtherance of the institution, AICTE has approved the college and affiliated to Anna University Chennai in 2016 and get permanent affiliation in 2019 for all UG programmes along with MBA. In trail with the above, the college has been accredited 'A' grade by NAAC with 3.10. Following which the college has been approved with ISO 9001:2015 and ISO 14001:2015 Green Campus Certification in 2018 and 2019 respectively. KRCE got NBA for all three applied courses in 2019 (ECE, EEE, Mechanical). The college received 3 stars in 2019 and 4 stars in 2020 from BC - MHRD. To add another gem in the crown of KRCE, the college got its autonomous status in 2020 conferred by UGC and the college got ANBA Rank with Band B Category (28 - 50) released by MHRD. Recently, the college was awarded QS I-GAUGE SLEAD Certification in the year 2021.

ABOUT THE RESEARCH & DEVELOPMENT CELL

KRCE is embarked with the vision of being a social partner for the development of our country through its involvement in research, having attributed novel technology in research and development activities. The R & D team of K. Ramakrishnan College of Engineering is committed to excellence in the research. The dedicated research team adds its strength and spreads its roots over diverse areas like Big Data, Cloud Computing, CAD/CAM, Virtual reality, Information Technology, Knowledge Management, Networking, VLSI and Antenna design, Signal Processing and Artificial Intelligence. Having realized a dire scope and demand of research in the emerging fields, these key ultra-tech disciplines are focused to bring out the desired results for the betterment of the society. In our institution three departments namely ECE, EEE and MECH have been recognized as Research centers by Anna University, Chennai to do PhD/MS by research.

RESOURCE PERSON

The sessions will be handled by the faculties from NITTTR and reputed institutions.

ELIGIBILITY

Faculty members from all Engineering disciplines.

REGISTRATION FEE

There is **no registration fee** for any participant, provided they should choose K. Ramakrishnan College of Engineering, Tiruchirappalli as Remote Centre.

HOW TO REGISTER

All participants need to register online at <https://fdp.nitttrchd.ac.in/bookingup/> on or before 16.09.2022 (5:00pm)

Procedure for Registration of the course after registering as participant

login as participant

Click Apply for STC on Left-hand side

Select department as Electrical Engineering

Select mode of course as online mode

Click submit

Next choose the course ID ICT-39 on the title Tools for Engineering Research

in the online application form

Select occupation as Faculty/lecturer/ instructor/Technical staff

Select the venue from where you want to attend the course :

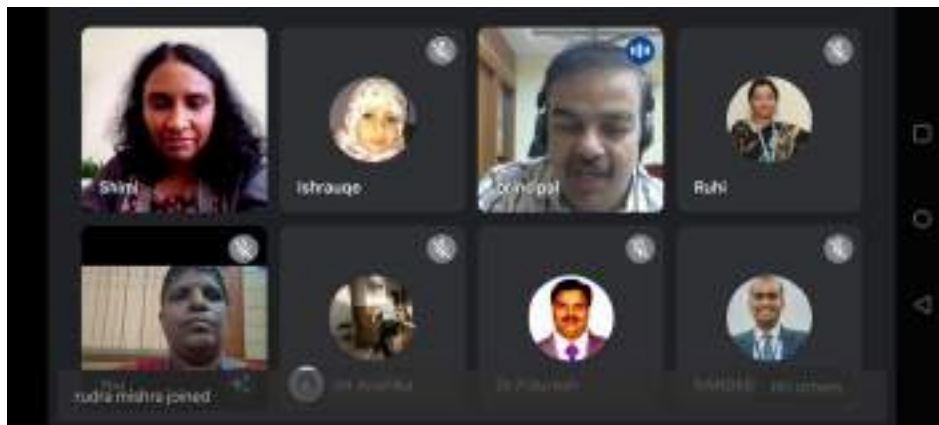

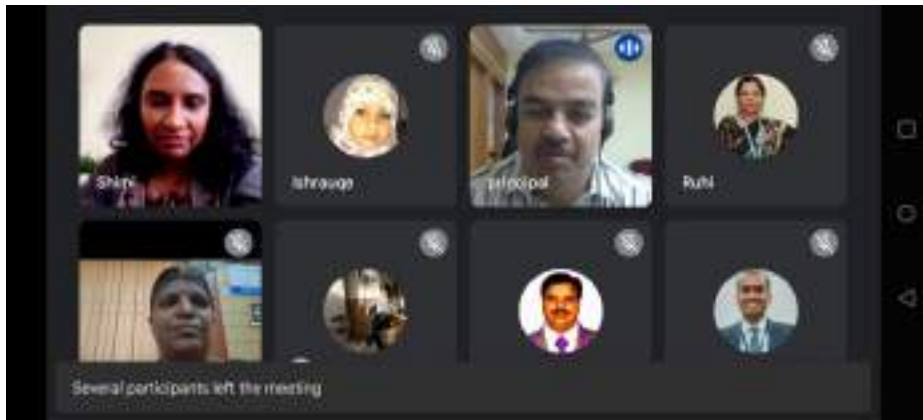

From registered remote Centre

in the drop down - select K. Ramakrishnan College of Engineering, Tiruchirappalli, Tamilnadu.

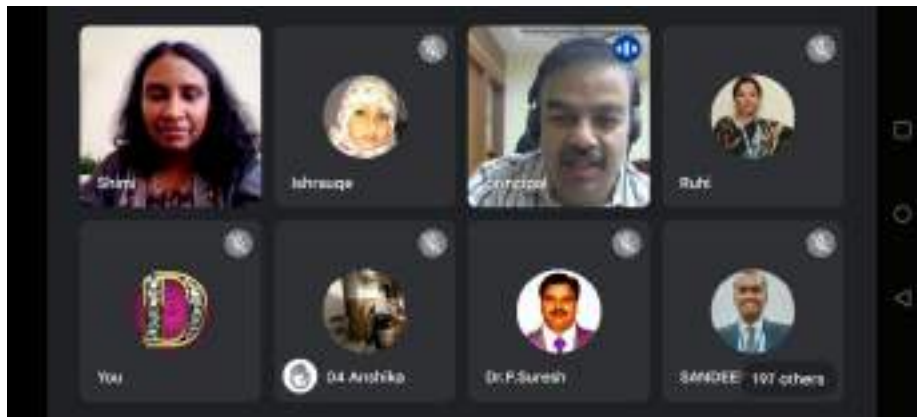

Mark AICTE approved institution as Yes

Then submit.

National Institute of Technical Teachers Training and Research, Chandigarh
Electrical Engineering Department

Online STC on

‘Tools for Engineering Research’, during 19th to 23rd September 2022

TIME-TABLE

DAY & DATE	Live Session - 1 9.30 AM to 11.00 AM (IST)	Live Session - 2 11.30 AM to 1.00 PM (IST)	Live Session - 3 2.30 PM to 4.00 PM (IST)
Monday 19/09/2022	Plagiarism, Mendeley (SSL)	Research Project Proposal preparation and implementation : Case study on real time projects at CSIO (BB)	Artificial Intelligence and optimization for Engineering Research (SSL)
Tuesday 20/09/2022	Acquiring data from hardware through IoT, Pre processing , statistical Analysis and visualization (JS)	Feature Engineering Analysis, selection and model building using Machine learning Techniques (JS)	Human Inspired Optimization Algorithm (RK)
Wednesday 21/09/2022	Reliability Evaluation of Restructured Power System with Integration of RES and Electric Vehicle (SK)	Big Data analytics for Electrical Engineering (SSL)	Research, Innovation and IPR (PS)
Thursday 22/09/2022	LaTex software (MAS)	LaTex software (MAS)	RTI and Hardware validation for research problem (SSL)
Friday 23/09/2022	Result Oriented Papers, Comprehensive Literature Review (CLR): Rules, Types (Methodological, Historical, Theoretical etc.), Structure & Organization with Examples (JS)	Systematic Literature Review: Understanding PRISMA Flow Guidelines, Formation of Search Query, Identifying Literature from Databases, Screening, Organizing; Rules and Techniques with Examples (JS)	STC Valediction, Feedback and Evaluation (SSL)

SSL : Dr. Shimi S.L, Assistant Professor, Electrical Engineering, NITTTR, Chandigarh

BB : Dr. Babankumar Bansod, Senior Principal scientist & Professor, CSIR-CSIO, India

JS: Dr. Jagriti Saini, Founder Eternal RESTEM, Sunder Nagar, HP

RK : Dr. Rishemjit Kaur, Principal Scientist, Centre of Excellence for Intelligent Sensors and Systems (ISenS), CSIO, Chandigarh

SK : Dr. Sheeraz Kirmani, Associate Professor, Aligarh Muslim University, Aligarh

PS : Prof. Poonam Syal, Professor , Rural Development, NITTTR, Chandigarh

MAS: Prof. Mohmad Ishak A Sheikh, Electrical Engineering Department, Government Engineering College, Dahod

Course Coordinator: Dr. Shimi S.L, Assistant Professor, Electrical Engineering Department, NITTTR Chandigarh

Report:

The department of EEE in association WITH Research and Development cell organized five days Faculty Development Program on “Tools for Engineering Research” in collaboration with National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh and K. Ramakrishnan College of Engineering as Remote Centre during 19th September 2022 to 23rd September 2022. During the inauguration our Principal Dr.D.Srinivasan felicitated the gathering. Nearly 42 participants registered for the FDP from various colleges and from K. Ramakrishnan College of Engineering.

The speakers are Dr. Shimi S.L, Assistant Professor, Electrical Engineering, NITTTR, Chandigarh, Dr.Babankumar Bansod, Senior Principal scientist & Professor, CSIR-CSIO, India, Dr. Jagriti Saini, Founder Eternal RESTEM, Sunder Nagar, Himachala Pradesh, Dr. Rishemjit Kaur, Principal Scientist, Centre of Excellence for Intelligent Sensors and Systems (ISenS), CSIO, Chandigarh, Dr. Sheeraz Kirmani, Associate Professor, Aligarh Muslim University, Aligarh, Prof. Poonam Syal, Professor , Rural Development, NITTTR, Chandigarh, Prof. Mohmad Ishak A Sheikh, Electrical Engineering Department, Government Engineering College, Dahod, Totally 42 participants attended the five days FDP and all the attended participants received certificates from NITTTR Chandigarh. The FDP was coordinated by Dr.K. Dhayalini, Professor, EEE Department and Mr. A. Subramaniya Siva, Assistant Professor, Department of EEE.
