**Report of**

**ELOCUTION ON HEALTH BENEFITS OF LITTLE MILLETS**  
**ARE NOT LITTLE**

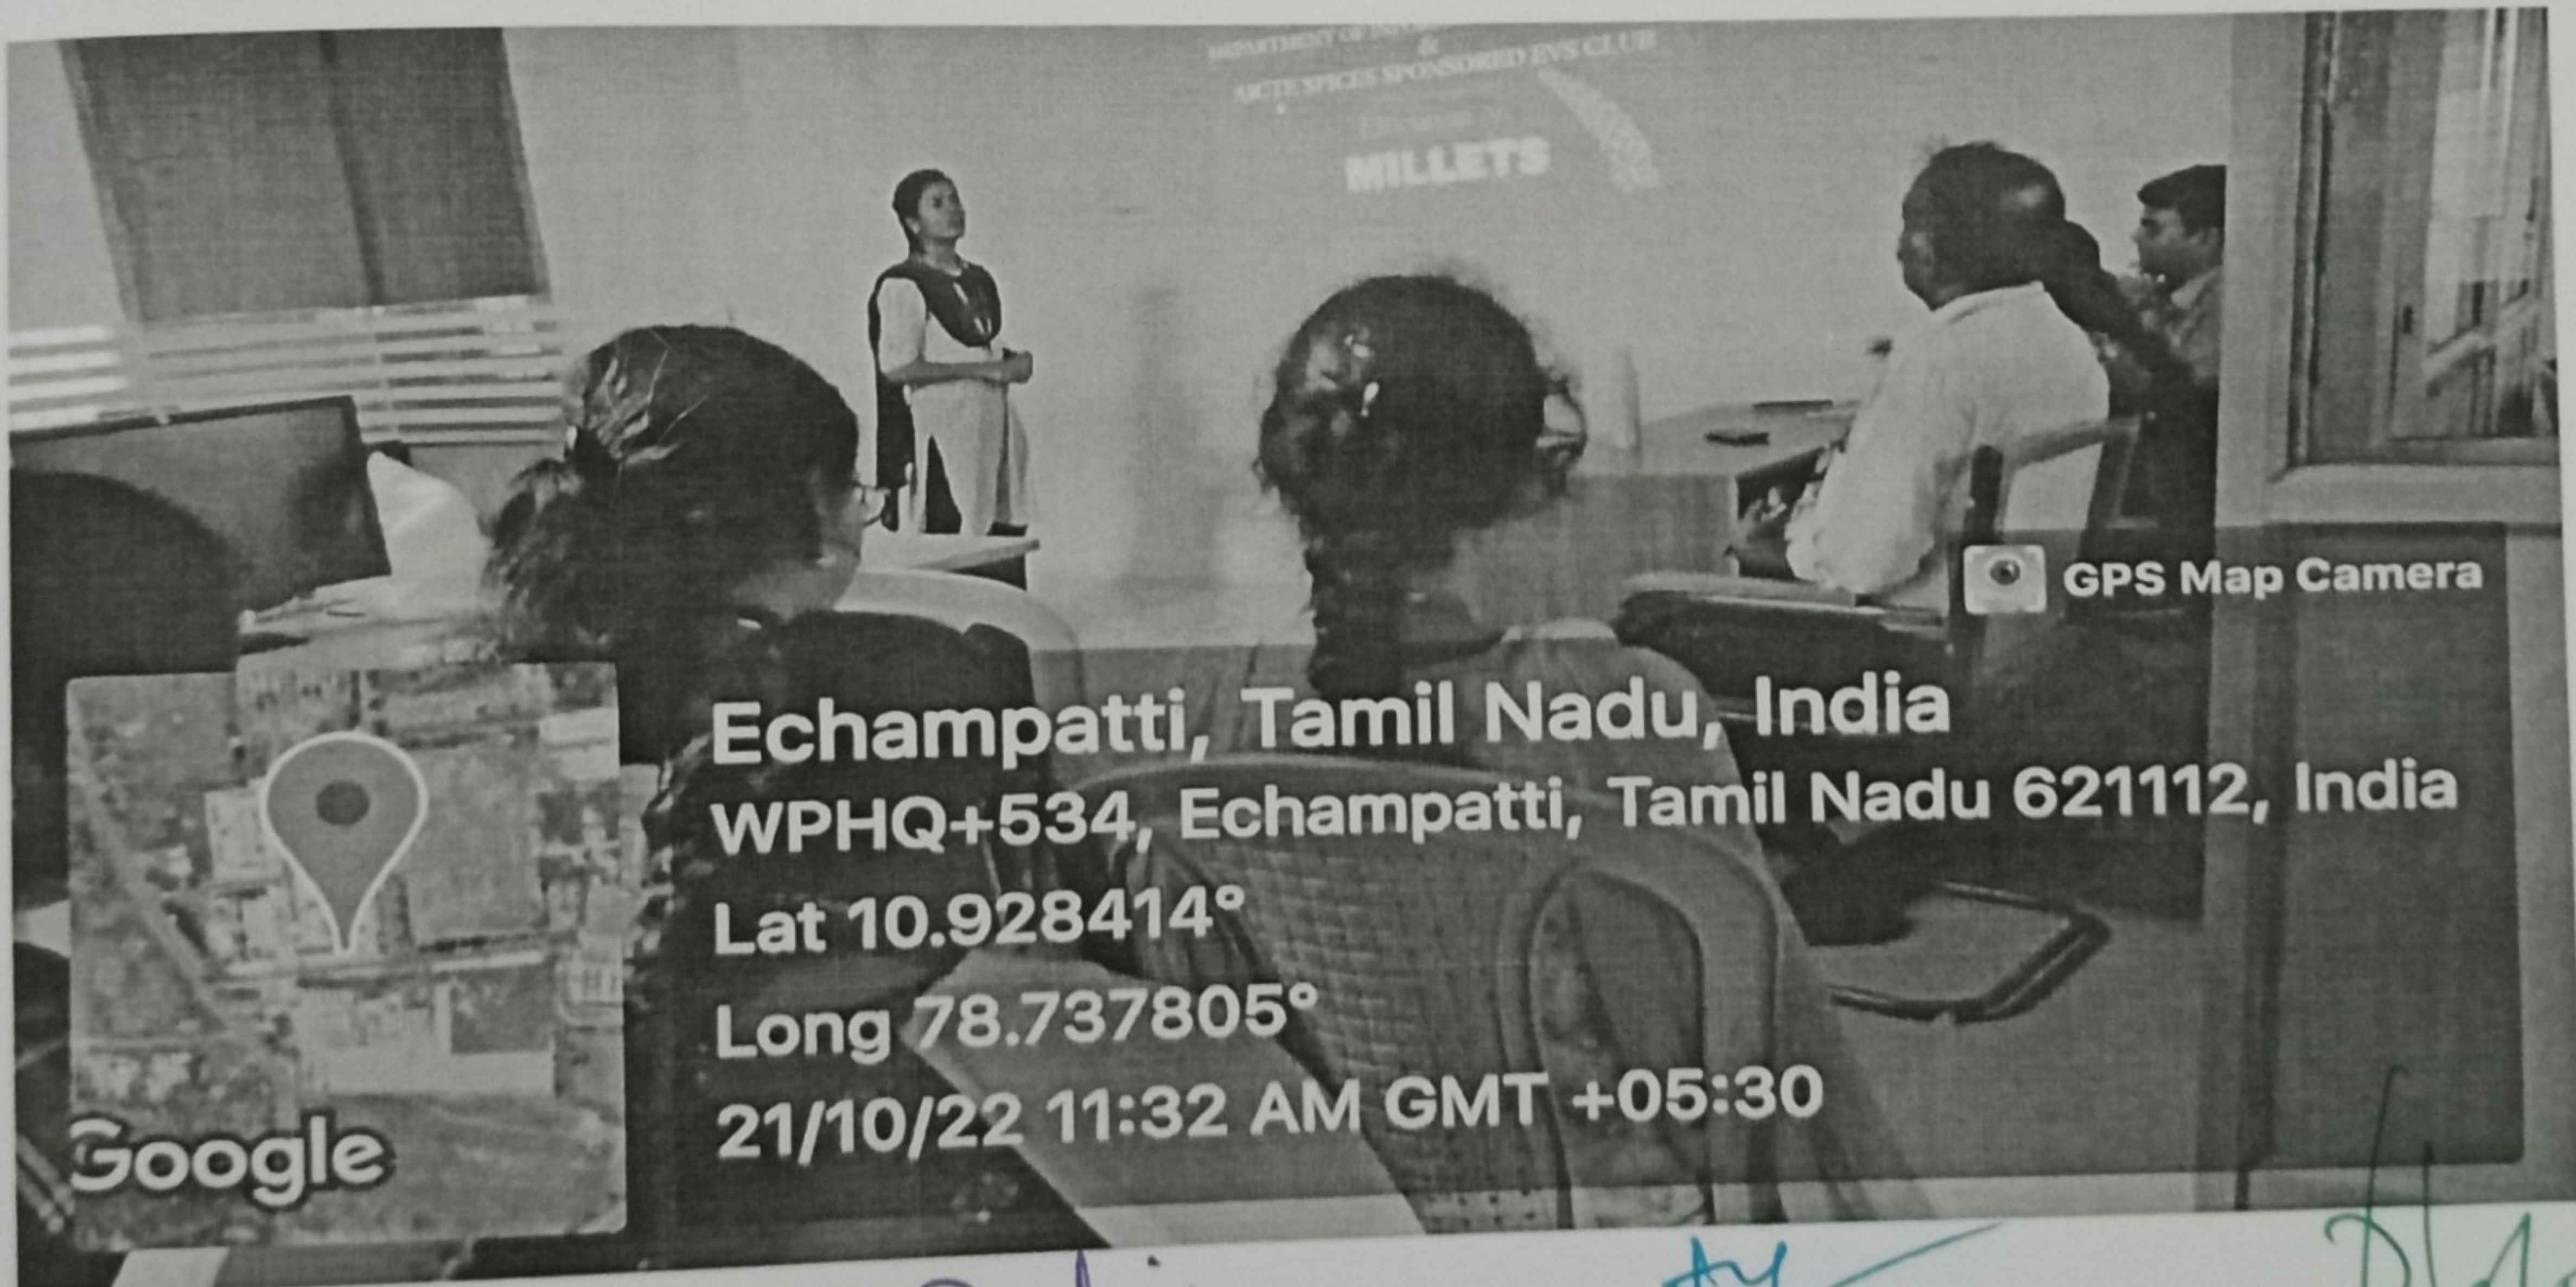

**DATE: 21.10.2022**

The Department of Information Technology and AICTE SPICES Sponsored EVS Club has jointly organized an Elocution on “Health Benefits of little millets are not little” on 21<sup>st</sup> October 2022. It was coordinated by Mrs. R. Kamalitta, AP-IT. The program was started with the welcome address by T.S JANANI of 3<sup>rd</sup> Year IT and Dr. S. Manikandan, HoD of IT gave the Presidential address. Around Ten Students from II Year and III year of IT have made their speech on different health benefits of millets. Mr. NAVEEN KUMAR, Assistant Professor in the Department of Mechanical Engineering and Ms. GEETHA Assistant Professor in the Department of AI&DS acted as Jury members for this event. Along with them Mrs. M. Thamaraiselvi, HoD-Chemistry and Overall coordinator of AICTE SPICES Sponsored EVS Club also acted as one of the Jury members for this event. All students presented well, after the completion of all presentation juries gave appreciation and suggestions to improve the student’s way of presentation. Juries evaluate the participant’s contribution and their knowledge. The best three presentations are awarded with shield and certificate. This event successfully ended with vote of thanks by R.ABINAYA of 3<sup>rd</sup> Year IT.
