The Craters Club, Department of Physics organized a seminar on "**How to write effective Research papers and project proposals to promote innovation**" in association with **KRCE-IIC** and **R&D-KRCE**. The seminar was opened up with the prayer song and continued with the welcome address by Dr. S.Titus, I-Year HoD& Convener/KRCE-IIC. The presidential address was given by Dr. R. Kamaraj, Principal in charge, K. Ramakrishnan College of Engineering (Autonomous). Then the chief guest of this seminar was introduced by Ms. A. Parvathi, II year EEE student, and a memento was presented to the chief guest by Dr.R.Kamaraj.

The Chief Guest Dr. Kaliyan Mathiyazhagan, gave an enthusiastic speech about the preparation of effective research papers and project proposals. He enthralled the participants with the expectations of an editor while reviewing the research paper with regards to Title, Keywords, Reference, problem findings, methods, result and discussion, and conclusion. He also motivated the participants to do quality research, and write the proposals with innovative ideas with proper presentation and language.

Around 39 faculty members from various departments participated in this seminar and with the interactive questionnaire session programme had been ended up. The Event coordinator Dr.V.Kannan, Professor/Physics, proposed the vote of thanks. The entire programme was hosted by Ms. T. Tamima Tacita, I-EEE. The seminar ended up with the National anthem.
